options available and take their produce to the centres that offer the best prices and services. The contract farming arrangements will provide an effective method of linking small farm sector to agro-processing industry and to sources for extension advice, seeds, credit card to assured and profitable markets.

A Vision 2015 on Food Processing Industries has been finalized by the Ministry of Food Processing Industries, which envisages, *inter-alia*, cluster based and emand driven farming, achieving integration of food processing infrastructure from farm to market, promoting a dynamic food processing industry which could result in trebling the size of the processed food sector by increasing the level of processing of perishables from 6% to 20%, value addition from 20% to 35% and share in global food trade from 1.5% to 3% by 2015. Under the Vision 2015, the thrust areas identified for strategic intervention are establishing Mega Food Parks, Modernization of abattoirs, Cold-chain/value addition and preservation infrastructure, capacity building by setting up of National Institute of Food Technology, Enterpreneurship & Management (NIFTEM), enacting Food safety and Standards Act, 2006, upgrading safety and quality of street food and establishment/upgradation of Quality Control Laboratories. Government has identified strategies along with a detailed action plan in this regard to realize the Vision 2015. An estimated investment of Rs. 100,000 crores is required to achieve to Vision 2015.

Food processing units in North Bengal
